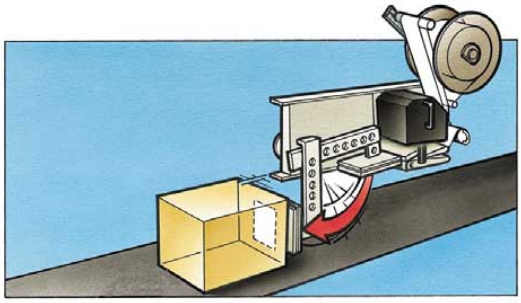
MECTEC

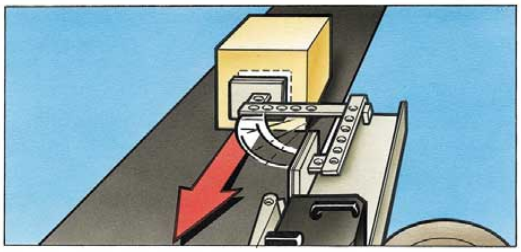
TF100

TF100 - FRONT OR BACK SIDE LABELLING

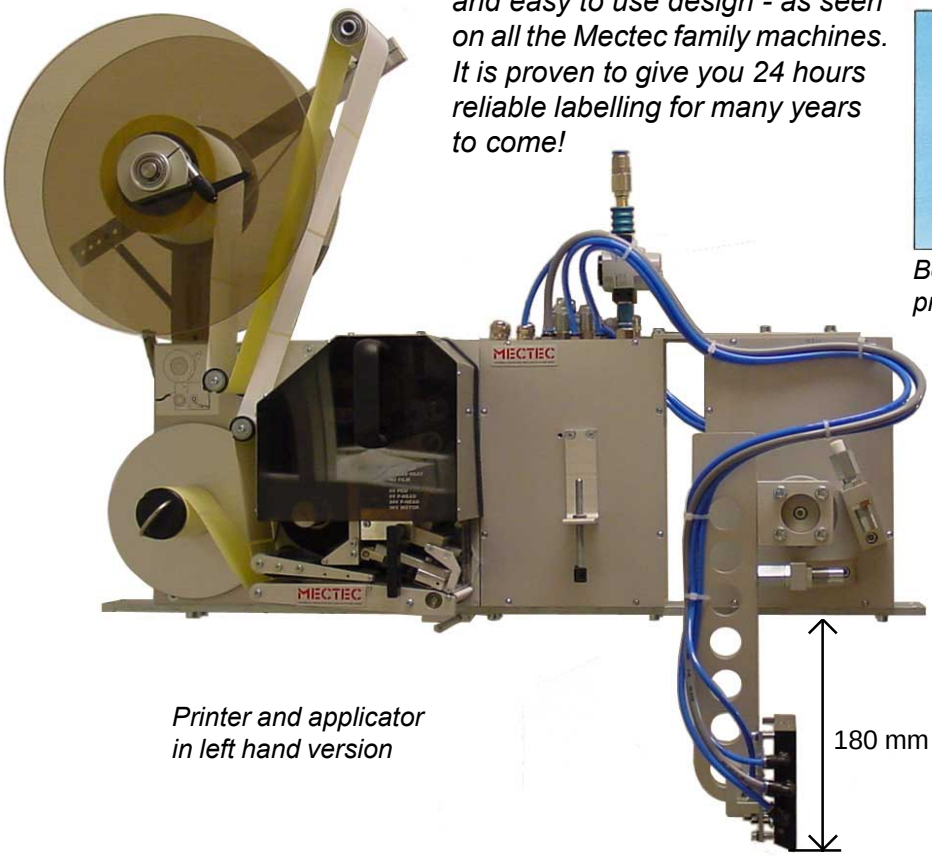
TF100 is a Print&Apply solution especially designed for flexible and reliable Front or Back side labelling - either working from over or beside the conveyor. Can in some applications also be used for side labelling.

The TF100 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come!





Box and parcel labelling. Applies on moving products!



Printer and applicator in left hand version
